PROFILE

Versatile professional with a solid foundation in UI/UX design and manual testing, bringing 1.5 year of expertise to deliver seamless and innovative user experiences and ensure product quality. I am seeking to leverage my technical expertise and problem-solving abilities to contribute to the success of a dynamic and forward-thinking organization.

PROFESSIONAL EXPERIENCE

UI UX Designer

09/2023 – present

Born 1863

Banglore, India

- Experienced UI Designer with a strong background in creating intuitive and visually appealing user interfaces. Skilled in wireframing, prototyping, and implementing UX/UI principles using tool Figma.
- Basics in HTML, CSS, for responsive design. Adept at conducting usability testing and ensuring a seamless user experience through meticulous attention to interaction and visual design.

Software Engineer

08/2022 – 08/2023

Zongovita [🔗](#)

Banglore, India

- **Tech Used:** UI Creation, Manual Testing, API Testing, Jira, SDLC, Postman, QA, HTML, C, CSS, SQL, JavaScript.
- Detail-oriented Manual Tester with experience in quality assurance and software testing. Skilled in developing comprehensive test plans and writing detailed test cases to ensure thorough coverage of all functionalities.
- Proficient in various testing methodologies, including functional testing, regression testing, black box testing, and user acceptance testing (UAT). Adept at using bug tracking tools like JIRA to report defects and track their resolution.
- Developed intuitive user interface (UI) wireframes and prototypes for flow of web and mobile applications, ensuring seamless user experiences and efficient navigation.

EDUCATION

Bachelor of Engineering

08/2017 – 08/2021

AJ Institute of Engineering and Technology [🔗](#)

Mangalore, india

Computer Science cgpa-6.4

CBSE (XII)

SKILLS

UI UX Design Skills: UI Design, UX Design, Figma, Wireframing, Prototyping, Usability Testing.

Quality Assurance Methodologies: Agile, Waterfall, Regression Testing.

API Testing: Postman

Defect Tracking Tool: Jira

Programming Language: HTML, CSS, JavaScript.

Database Language: SQL, MongoDB.

Project Management Skills: Scrum, Document Management, MS Office, Excellent verbal and written communication

Networking: Aws Cloud computing, IP subnetting and VLSM, OSPF, VLAN Trunking (IEEE802.1Q and ISL).

Sales Skills: Strong customer service, Product Knowledge, Time Management, Sales strategies.

Soft Skills: Problem solving, Leadership, Adaptable.

INTERNSHIPS

Android Application Development

04/2021 – 06/2021

Zephyr Technologies and Pvt Ltd

Bangalore, India

- I have a proven track record of designing, developing, and maintaining software applications that meet business requirements and deliver exceptional user experiences.
- Proficient in database design, implementation, and management, including SQL and NoSQL databases, to ensure efficient data storage and retrieval for applications.
- Conducted comprehensive testing of Android applications, ensuring seamless functionality from initial development to the completion of iteration cycles.

Front End Website Development

10/2020 – 12/2020

IC Solution

Mangalore, India

- I specialize in creating engaging and user-friendly web interfaces and applications
- Proficient in HTML, CSS, and JavaScript, I leverage these core technologies to build and style web pages, create responsive designs, and enhance user interactivity.
- Collaborating closely with UI/UX designers to translate design concepts into functional, interactive web interfaces that prioritize usability and accessibility.

PROJECTS

Stock Market Price Predication

- This project is to predict the future value of financial stocks of a company and it is focused on the use of recurrent neural networks and long short-term memory-based memory learning.
- Expertise in selecting and engineering relevant features (indicators) for modeling, including moving averages, Relative Strength Index (RSI), and Bollinger Bands.

Retail Management System

- This project is used to maintain details about the products and about the suppliers of the product.
- We developed this as the desktop application using C# language in Visual Studio and used SQL server for Data based serve

CERTIFICATION

CCNA Networking

12/2021 – 03/2022

Bsoft Bangalore

Bangalore, India

- Expertise in AWS Cloud Administration which includes services like EC2, S3, EBS, VPC, ELB, AMI, SNS, RDS, IAM, Route 53, Auto scaling, Cloud Watch, Cloud Trail, SecurityGroups, CloudFront, Lambda, Glacier.
- Managing help desk operations, resolving hardware and software issues, VPN Setup and performing system maintenance.
- Familiar with Cisco Switches 2950, 2960, 3750, 3560, Routers 29XX, 19XX, 39XX.
- Created EBS volumes for storing application files for use with EC2 instances whenever they are mounted to them.

LANGUAGES

- English - Full Professional Proficiency
- Malayalam - Native
- Hindi - Limited Working Proficiency
- Tamil - Elementary Proficiency
